Potential Future Ordinances/Resolutions and Other Fiscal Matters

- **Midyear & Year-end Budget Modifications** – *The City Administration is continuing a shift toward organizing and bundling most budget modification requests for consideration by the Council on a semi-annual basis. The intent is to provide more clarity regarding competing fiscal needs so that the City Council may consider them together, in context. Typically, these bundled fiscal actions will entail tapping of contingency funds and/or appropriation transfers between departments. Additional appropriation requests and other significant or urgent fiscal actions may continue to be presented for consideration outside this semi-annual cycle, as deemed necessary.*
 - **Update on Financial Management Assessment by Crowe, LLP** – *At a future meeting, OFA will present an update on steps taken Crowe, LLP's completion of the City's Financial Management Assessment in December 2020.*
 - **New Annual Budget Ordinance** – *Beginning with the 2023 annual budget ordinance, OFA will replace the Department of Local Government (DLGF) budget ordinance template with a more customized ordinance that more clearly presents the City's proposed budget, yet still meets the DLGF requirements.*
 - **Administration of Debt Service Funds Ordinance** – *Establish in City code the authority of the Controller to create and terminate debt service funds, as necessary, to properly account for the receipt and expenditure of debt levy tax revenue.*
 - **Administration of Debt Proceed Funds Ordinance** – *Establish in City code the authority of the Controller to create and terminate debt proceed funds, as necessary, to properly account for the receipt and expenditure of proceeds from tax-supported (e.g. property tax, LIT, etc.) bond issues.*
 - **City Code Revision: OFA Matters** – *Topics include: a) update credit card use authorization/restrictions; b) establish travel policy; and c) update procurement process requirements.*

Memo: Total Debt Service Funded from TIF Revenue

Notes:

- (a) A portion of debt service is NOT supported by available TIF revenue. The gap is covered from a Civil City special benefits debt service levy. The entire debt service payment is posted to a Civil City debt service fund (Fund 202), and available TIF revenue is transferred to that fund. For 2023, the debt service paid from TIF revenue was \$1,000,000, with a gap amount of \$948,000.
- (b) The Wastewater Utility pays \$200,000 toward principal and interest payments with the TIF revenue covering any remaining balance of principal and interest payment amounts NOT covered by the Utility cost share. These bonds are solely secured with LIT but benefit the Noblesville Downtown Area.
- (c) a 22% share (\$165,357) of the debt service payment is funded from Civil City funds, specifically the Cumulative Capital Development Fund (Fund 120).
- (d) A portion of debt service is NOT supported by available TIF revenue. The gap is covered from a Civil City local income tax. The entire debt service payment is posted to a Civil City debt service trustee fund and available TIF revenue is transferred to that trustee account. For 2022, the debt service paid from TIF revenue was \$208,500.01, with a gap amount of \$996,500.03.
- (e) The bonds are secured with an annual appropriation request through the budget process, offset with TIF revenue from the Central 146th Street Area, the Corporate Campus West Area (junior and subordinate) and taxpayer payment. For 2023, the debt service was paid from Central 146th TIF revenue for \$67,989, Corporate Campus West for \$271,169, and taxpayer payments for \$87,560.
- (f) The bond's amortization is currently in the capitalized interest phase. So, the debt service payment is interest only and paid from bond proceeds.
- (g) The bonds are only secured with 100% TIF revenue pledge from the Lofts on Tenth Allocation Area. Principal and interest not paid due to insufficient tax increment revenues are not deemed an event of default. In 2023, \$17,854.64 TIF revenues from Lofts on Tenth Allocation Area were sent to the trustee. As of 12/31/23, these revenues were not applied to unpaid debt service. The Indenture provides for the future payment by the Trustee of any previously unpaid principal and interest on the 2021 Bonds as follows: first, to pay any accrued and unpaid interest and second, any accrued and unpaid principal.
- (h) The bonds are only secured with 100% TIF revenue pledge from the Nexus Allocation Area. Principal and interest not paid due to insufficient tax increment revenues are not deemed an event of default. In 2023, \$79,376.72 TIF revenues from Nexus Allocation Area were sent to the trustee. As of 12/31/23, these revenues were not applied to unpaid debt service. The Indenture provides for the future payment by the Trustee of any previously unpaid principal and interest on the 2021 Bonds as follows: first, to pay any accrued and unpaid interest and second, any accrued and unpaid principal.
- (i) In 2023, interest payments were paid out of Bergen-Tegler TIF in the amount of \$360,343.09 and the remaining \$91,653.90 was paid out of remaining BAN proceeds.
- (j) This is a draw bond and as of 12/31/23 total outstanding draw balance is \$1,239,704.97. Total authorized amount on the bond is \$1,900,000.
- (k) This is a draw bond and as of 12/31/23 total outstanding draw balance is \$52,750. Total authorized amount on the bond is \$401,000.
- * These bonds are developer backed bonds and are secured by pledged TIF revenues. If the pledged TIF revenues are insufficient for the upcoming debt service due, the developer is obligated to cover any shortfalls.

Indiana Code, Title 36, Article 7, Chapters 11.9, 12 and 14, as in effect on the date the first series of the Series 2024 Note is funded (collectively, “Act”), have been enacted by the General Assembly of Indiana.

The Act provides that a political subdivision may make direct loans to users or developers for the cost of acquisition, construction, or installation of economic development facilities, including infrastructure improvements, with such loans to be secured by the pledge of secured or unsecured debt obligations of the users or developers, for diversification of economic development and promotion of job opportunities in or near the City.

The City of Noblesville Redevelopment Commission (“Redevelopment Commission”) has established the Noblesville – Justus Senior Housing Economic Development Area and the Noblesville Consolidated Economic Development Area (collectively, the “Areas”).

The Redevelopment Commission has approved the economic development plans (collectively, the “Plans”) for the Areas which Plans contained specific recommendations for economic development of the Areas, and the Redevelopment Commission has established tax allocation areas in accordance with IC 36-7-14-39 for the Areas (collectively, the “Allocation Areas”) for the purpose of capturing property taxes generated from the incremental assessed value of real property located in the Allocation Areas.

The City, upon finding that the Project (as hereinafter defined) and the proposed financing thereof will create additional employment opportunities in the City; will benefit the health, safety, morals, and general welfare of the citizens of the City and the State of Indiana; and will comply with the purposes and provisions of the Act, adopted an ordinance approving the proposed financing.

In order to encourage economic development and promote significant opportunities for gainful employment, the City intends to fund a loan to the Borrower in the amount of \$357,325.72 (the “Loan”), to be evidenced by the Borrower’s Taxable Economic Development Revenue Note, Series 2024 pursuant to the provisions of this Loan Agreement, to finance the cost of the Project in, serving or benefitting the Area.

This Loan Agreement provides for the payment of the Series 2024 Note by the Borrower and further provides for the Borrower’s repayment obligation to be evidenced by the Series 2024 Note, substantially in the form attached hereto as Exhibit A.

Subject to the further provisions of this Loan Agreement including Section 3.1, the Loan will be payable solely out of the payments to be made by the Borrower on the Series 2024 Note.

In consideration of the premises, the Loan, the acceptance of the Series 2024 Note by the City, and of other good and valuable consideration, the receipt whereof is hereby acknowledged, the Borrower has executed and delivered this Loan Agreement.

This Loan Agreement is executed upon the express condition that if the Borrower shall pay or cause to be paid all indebtedness hereunder (unless the Series 2024 Note is forgiven pursuant to Section 3.1 hereof) and shall keep, perform and observe all and singular the covenants and promises expressed in the Series 2024 Note, any other Notes (as hereinafter defined) and this Loan Agreement to be kept, performed and observed by the Borrower, then this Loan Agreement and the rights hereby granted shall cease, determine and be void; otherwise to remain in full force and effect.

If the moneys comprising the Loan should not be sufficient to pay in full the costs of the Project, the Borrower agrees, for the benefit of the City and to fulfill the purposes of the Act, to use commercially reasonable efforts to cause the completion of the Project and to pay or cause to be paid that portion of the costs therefor as may be in excess of the moneys available therefor. The City does not make any warranty, either express or implied, that the moneys will be available for payment of the costs of the Project, will be sufficient to pay all the costs which will be incurred in that connection. (i) Failure of the Borrower to observe and perform any covenant, condition or provision of this Loan Agreement for a period of one-hundred twenty (120) days after written notice, specifying such failure and requesting that it be remedied, given to the Borrower by the City, unless (i) the nature of the default is such that it cannot be remedied within the one-hundred twenty (120) day period, (ii) the Borrower institutes corrective action within the one-hundred twenty (120) day period and (iii) the Borrower diligently pursues such action until the default is remedied.

(b) Subject to the further provisions of this Article IV, during the occurrence and continuance of any event of default hereunder, the City or Borrower, as the case may be, shall have the rights and remedies hereinafter set forth in addition to any other remedies herein or by law provided:

(i) Right to Bring Suit, Etc. The City or Borrower, with or without entry, personally or by attorney, may proceed to protect and enforce its rights by a suit or suits in equity or at law, whether for damages or for the specific performance of any covenant or agreement contained in the Series 2024 Note or this Loan Agreement, or in aid of the execution of any power herein granted, or for the enforcement of any other appropriate legal or equitable remedy, as the City or Borrower shall deem most effectual to protect and enforce any of its rights or duties hereunder; provided, however that all reasonable costs incurred by the City or Borrower under this Article shall be paid to the City or Borrower by the Borrower or City, respectively, on demand.

If after any event of default occurs and prior to the City or Borrower exercising any of the remedies provided in this Loan Agreement, the Borrower or City, as the case may be, will have completely cured such default or the City or Borrower has waived such default, then in every case such default will be waived, rescinded and annulled by the City or Borrower by written notice given to the Borrower or City. No such waiver, annulment or rescission will affect any subsequent default or impair any right or remedy consequent thereon.

Section 4.2. Remedies Cumulative. No remedy herein conferred upon or reserved to the City or Borrower is intended to be exclusive of any other remedy or remedies provided herein. The

remedies set forth in this Section are the sole and exclusive remedies of the City against Borrower under this Loan Agreement.

Section 4.3. Delay or Omission Not a Waiver. No delay or omission of the City or Borrower to exercise any right or power accruing upon any event of default shall impair any such right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein.

To the extent permitted by law, neither the Borrower nor the City will during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Loan Agreement; and the Borrower and City hereby expressly waive all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted to the City or Borrower, respectively, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 4.5. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Loan Agreement invalid or unenforceable under the provisions of any applicable law.

Section 4.6. Rights of the City. If there shall be pending proceedings for the bankruptcy or for the reorganization of the Borrower under the United States Bankruptcy Code or any other applicable law, or in case a receiver, trustee, or custodian shall have been appointed for the property of the Borrower, or in the case of any other similar judicial proceedings relative to the Borrower, or to the creditors or property of the Borrower, the City shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to the Loan Agreement and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the City allowed in such judicial proceedings relative to the Borrower, its creditors, or its property, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute the same after the deduction of its charges and expenses; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the City, and to pay to the City any amount due it for compensation and expenses, including reasonable counsel fees and expenses incurred by it to the date of such distribution.

Section 4.8. Limitation of Liability. The City agrees and acknowledges that Borrower's representations, warranties, covenants, agreements and performance obligations under this Loan Agreement are limited to and apply exclusively to the operations of Borrower at the Project site and any determination as to whether Borrower is in default of this Loan Agreement will be limited to Borrower's operations at the Project site.

The City and Borrower agree to use commercially reasonable efforts to promptly resolve any Force Majeure Event that adversely and materially impacts their performance under this Loan Agreement. A force majeure event pauses a party's performance obligation for the duration of the event but does not excuse it. "Force Majeure Event" means any event or occurrence that is not within the control of such party or its affiliates and prevents a party from performing its obligations under this Loan Agreement, including without limitation, any act of God; pandemic; act of a public enemy; war; riot; sabotage; blockage; embargo; failure or inability to secure materials, supplies or labor through ordinary sources by reason of shortages or priority; labor strike, lockout or other labor or industrial disturbance (whether or not on the part of agents or employees of either party); civil disturbance; terrorist act; power outage; fire, flood, windstorm, hurricane, earthquake or other casualty; any law, order, regulation or other action of any governing authority; any action, inaction, order, ruling moratorium, regulation, statute, condition or other decision of any governmental agency having jurisdiction over the party hereto, over the Project or over a party's operations.
